SIMDI OFFICE AUTOMATION (SOA)

PRESS RELEASE

ON 25TH MARCH due to the increasing demands of the market, SIMDI Office Automation has opened a new outlet “CANON LINK” featuring the latest world-renowned CANON digital cameras. The well-displayed cameras ranges from normal house hold user-friendly digital cameras such as the ixus series and the Power Shot series to the professional digital cameras such as the EOS series and the Power Shot Pro series. Not to mention the CANON camera lenses and other accessories, loved by the professionals around the world owing to the motto of CANON “delighting you always”

The outlet also features the latest CANON printers such as the PIXMA series and the small SELPHY printers for households and small business, giving professional printouts, which guarantee 100 years of photo life.

The beautifully designed outlet is situated next to the SOA show room (G. Faith, Ground Floor, Majeedheemagu) and is opened from 0830 am to 1100 pm excluding Fridays.
